After a one year absence, the homecoming parade was returned to Edison's Homecoming festivities. Floats were built by all of the classes and the Pep, Spanish, and French clubs. Decorated cars were also permitted in the parade. The Queen and her court rode through the parade in a fishing boat. The winning floats were the Pep Club and the Spanish Club. After the parade Grand Marshall, Pete Guzy presided over the rest of the activities, which included the game, a 54-0 victory over West

# HOMECOMING DANCE

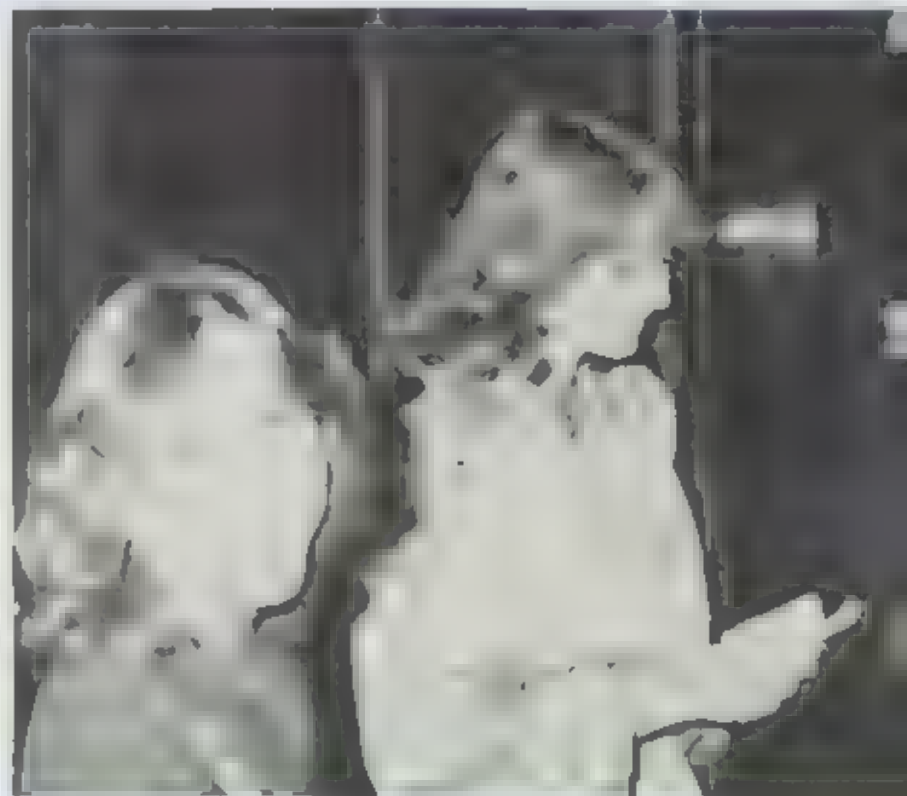

The lights began flashing and the music started rolling signifying the end of homecoming week and the beginning of the homecoming dance. Spirits ran high due to Edison's victory over West, making the dance a great success. The Student Council selected the band Caribou to play for the evening's entertainment.

# THE WELCOME DANCE

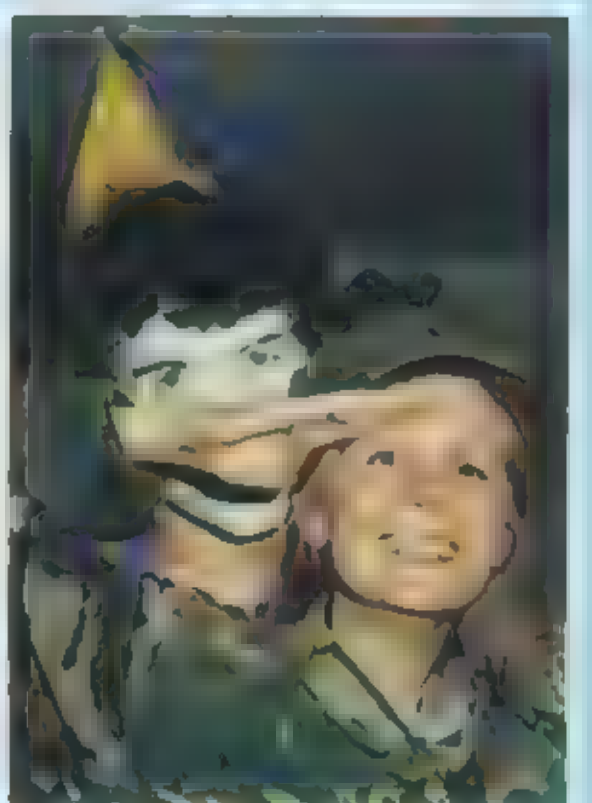

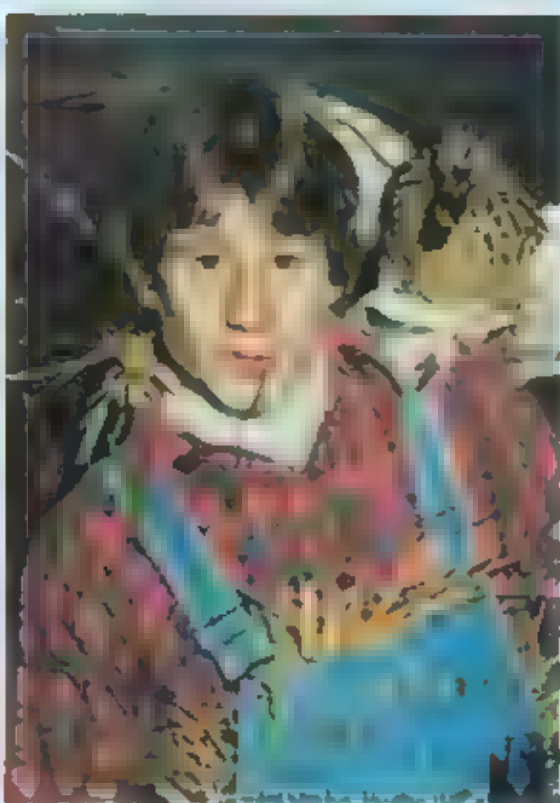

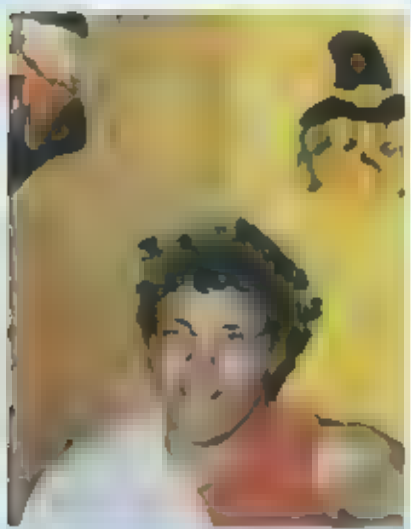

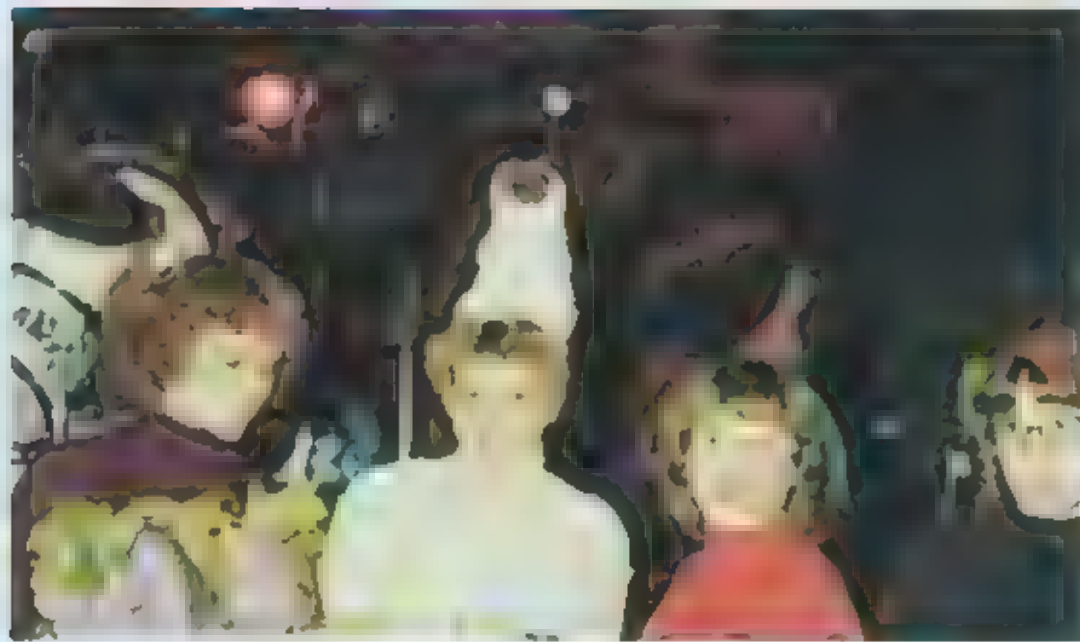

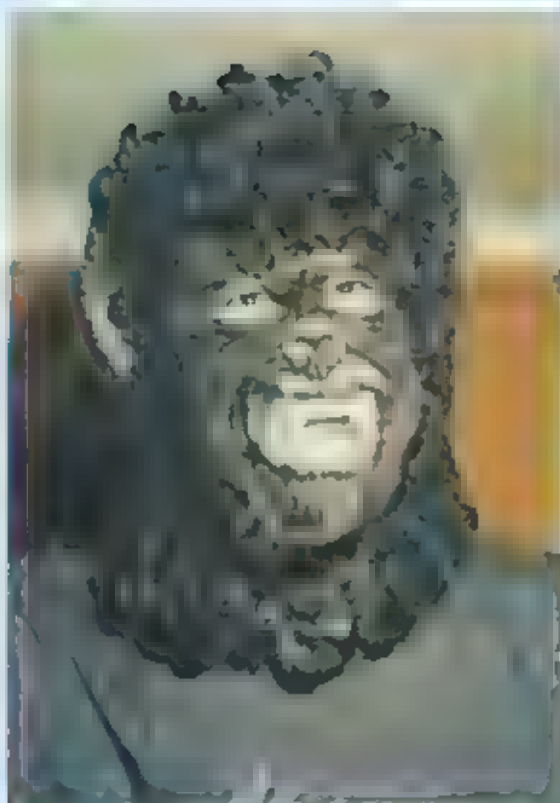

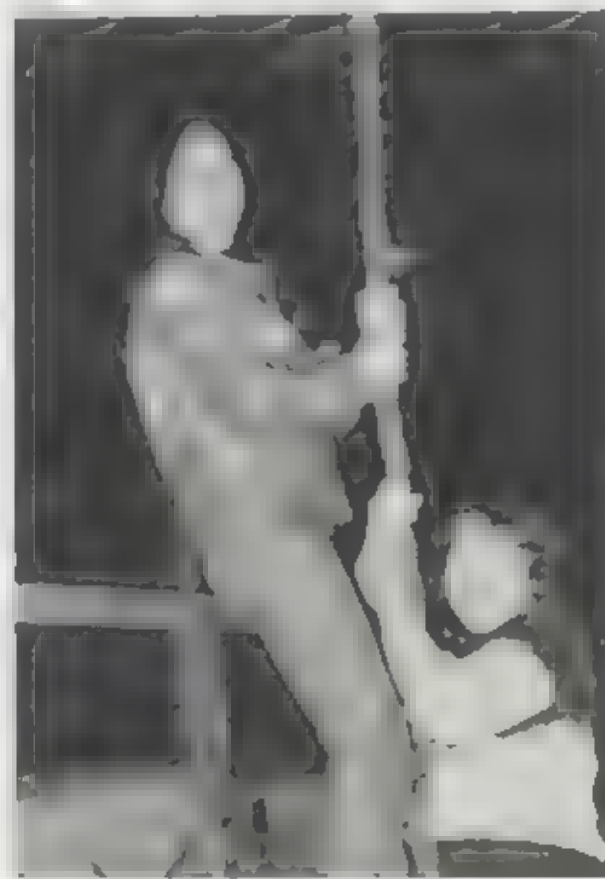

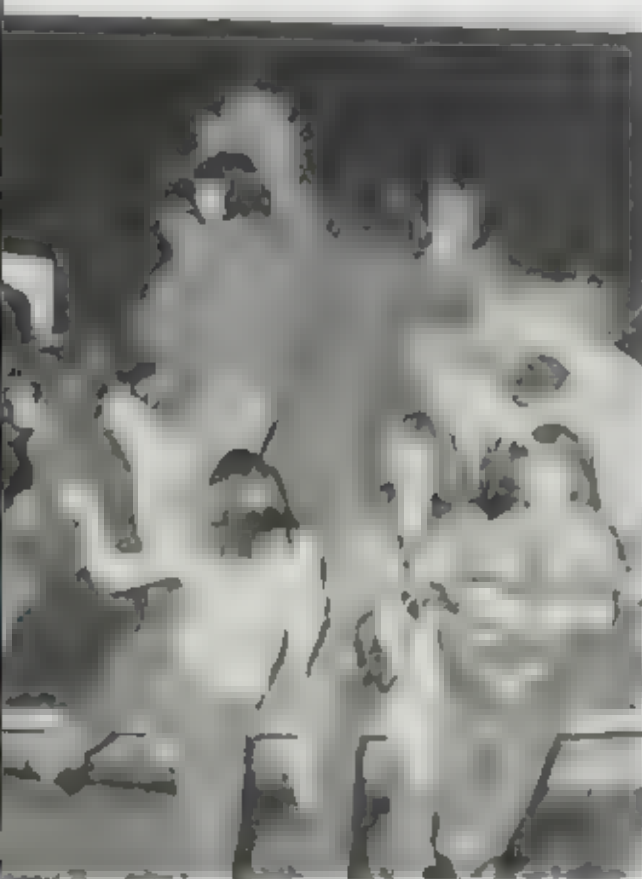

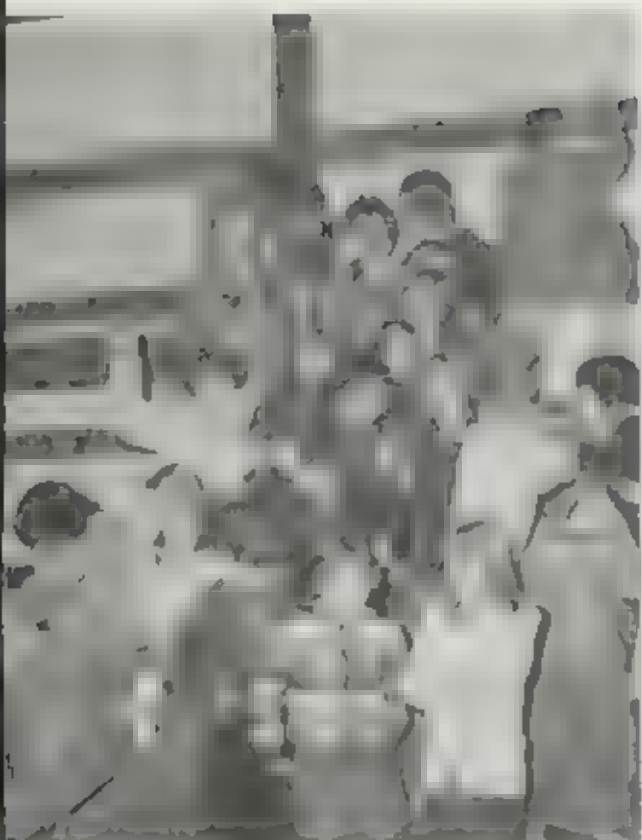

Sponsored by the Pom-Toms, the first dance of the year was held in the lobby of the New Gym on September 15, 1978. Energetic music was provided by Twin-City Disco. A change of places brought new faces!!!

This event, chaperoned by Marge Goss, Mr. & Mrs. Lobash, Mr. & Mrs. Minnema, Mr. & Mrs. Ruud, and Mr. & Mrs. Troiden, was planned especially for 8th grade students because they are not able to attend regular school dances. Cookies & punch & Disco was provided after the hayride

# SADIE HAWKINS' DANCE

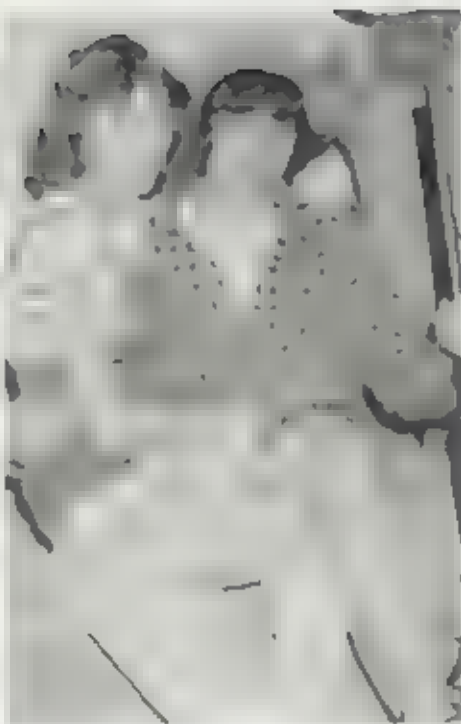

Once again, as Edison High resembled dogpatch the gals got a chance to pursue their guys in the annual rush called Sadie Hawkins' Day, held on December 1. The doors opened at 8:00 at which time the guys were off and running. Throughout the night, students exchanged vows and rings spent minutes in the smooch booth, and called the pig. Music for the night was provided by a country-western band. As

# SNO-DAZE ASSEMBLY

"Snowflakes keep falling on my head" was the theme for this year's Sno-Daze assembly. Acts varied from lancing to dancing. There were snowflakes falling on the heads of a few of the performers, with a little help from those "wild and crazy guys." Jeff Luitjens and Dawn Stephanson were the M.C.'s Mr. Sieve was in charge of the assembly

The activities consisted of the Slave Block, sponsored by the Senior class, the Dart Throw, sponsored by the student council, and the Cake Walk, sponsored by the Spanish Club. In the meantime, students were dancing to the music provided by "Chaos" in the lunchroom from 8:00-11:00 P.M. Sno-Daze events were sponsored by the Student Council.

# SWEETHEARTS "79"

A full moon, dimly lit dance floor, and sparkling disco music set the stage for the sweetheart dance and Coronation which was held in the student lunchroom on February 9. This annual event is sponsored by the Pom-Toms to raise money for costumes. Because the event followed Sno-Daze by only two weeks, consideration was given to dropping the coronation. The final decision was to hold the coronation and it was evident by the anticipation and excitement preceding the crowning of Edison's Sweethearts, that this tradition was here to stay. Twin City Disco provided an appropriate variety of music which, combined with the fact that the Tommies defeated South's Basketball team and won the Twin City Wrestling title, made this a festive evening. Finally the magic hour arrived, all candidates were given a flower for good luck the level of tension rose and cameras snapped as Bev Schuman walked casually behind the king candidates and placed the coveted crown on the handsome brow of John Schroeder. The cheers had not yet died down before Alice Corbett lifted the Queen's crown high above the heads of the smiling queen candidates and for a few agonizing seconds the crowd grew silent and watched intently as the crown weaved and bobbed and finally was matched with the sparkling eyes of Lori McNeal.

# THE EDISON POM-TOMS

The excitement of being selected as one of the dozen Edison Pom-Toms had hardly dimmed before hard work and sore muscles become a reality of life. The Edison dancers started daily practices on July 5 from 7 to 10 a.m. Routines and costumes had to be planned quickly as the first performance was Aug. 2 at the Eastside parade and coronation. Fund raisers were planned and vacation schedules changed, finally the school year started.

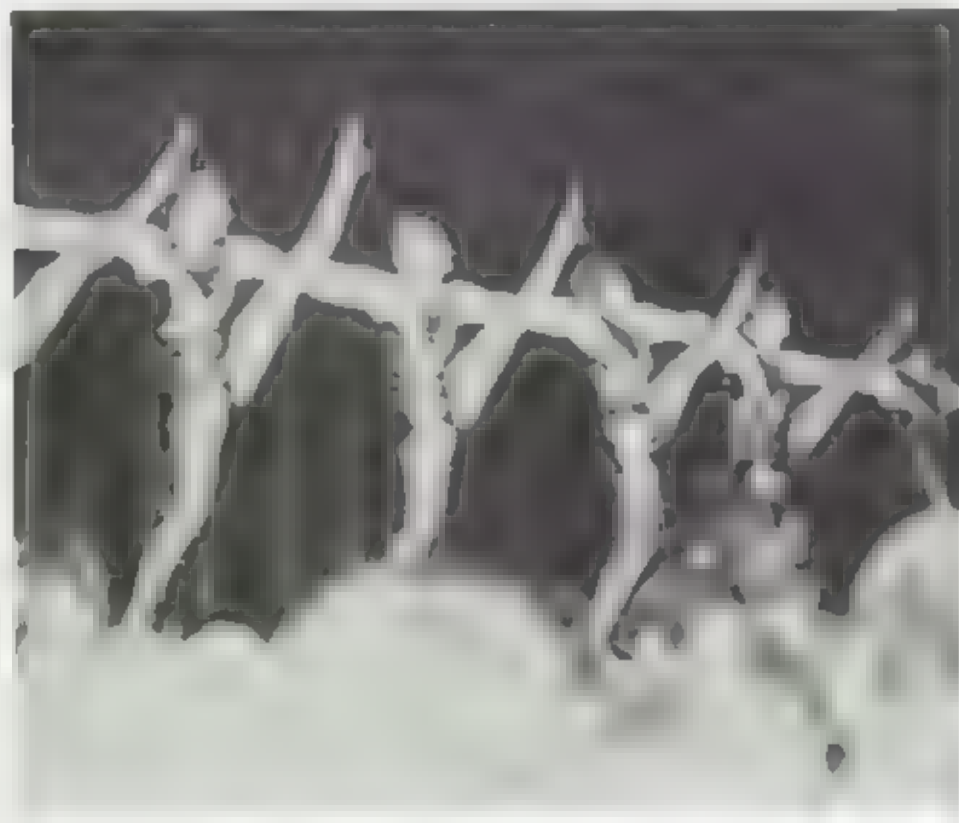

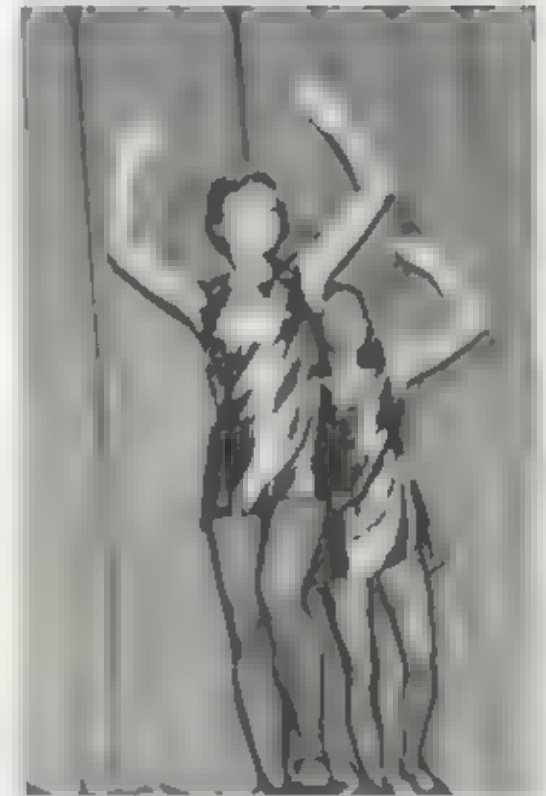

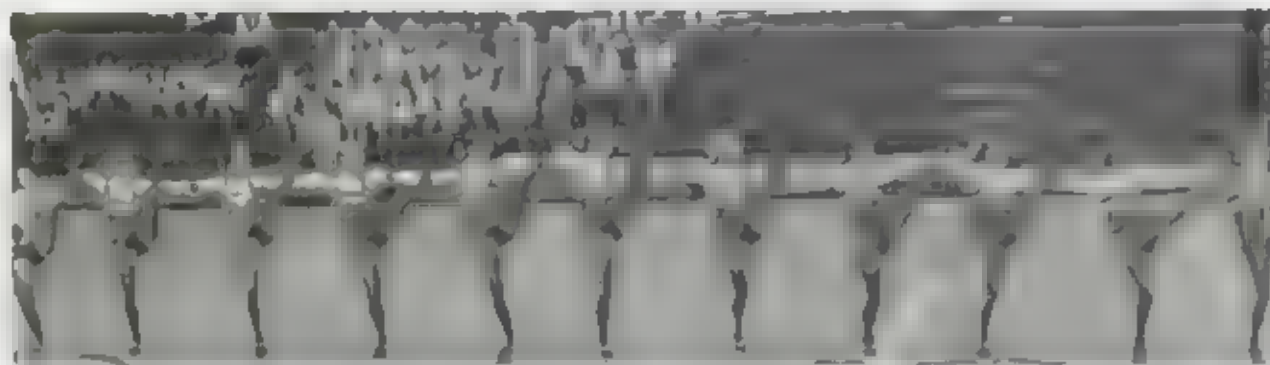

Under the leadership of Lori McNeal the team captured the second place trophy at the Anoka Invitational and turned in many eye catching performances in their deliberate and precise style.

## LIBRARY

The library was opened this year after a year of construction. Changes include conference rooms, the carrels (with electrical outlets), the regular cards, new method of finding books in the card catalog, and the privilege of taking out records and tapes. The library now has a relaxing atmosphere in which to study.

# CANOE TRIP

An exciting tradition at Edison is the Faculty-Student Canoe trip. Twice a year, members of the student body and staff pack into automobiles and vans and travel to the Crow Wing River near Wadena, Minnesota, for a two-day canoeing and camping experience. In addition to canoeing students receive information on outdoor living and ecological rules, plan their own shelters, cook their own meals and usually manage a game of volleyball before the sun sets. After singing a few camp songs and telling a few "spooky" stories around the campfire, students and teachers take their tired bodies to designated shelters fairly early, because canoes must be in the water again early Sunday morning. The long ride home is rather quiet as most students catch a few hours sleep and thoughts turn to Monday when bells will again signal the reality of classes. Arrangements and planning are under the direction of Mr. Luck and Mr. Marcouiller.

# SPEECH AND DEBATE

The Debate Team was a good novice team. The 18 members debated every 3 weeks and won half of their debates. The Speech Team had a large membership this year. The season started with the U of M tournament and ended with the state tournament on April 28. For the first year there was a tournament at Edison, Feb. 10, at which Edison placed 5th. Many Speech and Debate students participate in Student Congress. Richard Clem was elected Senator and Laura Hedlund's bill on legalizing marijuana was passed.

Figure 1. The structure of the proposed model. The model is composed of three layers: input, hidden, and output. The input layer consists of 10 nodes, the hidden layer consists of 10 nodes, and the output layer consists of 1 node. The model is trained using a genetic algorithm (GA) to optimize the weights and biases of the network. The GA is applied to the hidden layer weights and biases, while the output layer weights and biases are updated using a standard backpropagation algorithm. The model is evaluated using a set of test data, and the performance is measured using the mean squared error (MSE) and the coefficient of determination ( $R^2$ ).

# THE WIZARD STAFF

As part of the Wizard staff we wrote copy, took pictures, missed class, stayed late nights, and drew layouts. Once we got started we worked hard together and accomplished what we set out to do—Put out a memorable yearbook. We hope that when you look at the yearbook it will bring back memories.

This page Top right: Having a discussion, Center left: Alan Betker, Center right: Renee Mycko, Dolores Siminski, Diane Leba, and Karyn Rademacher, Lower left: Connie Dowdie and Lori Jukowski, Lower right: Diane and Karyn working on a layout, Opposite page: Carlene Lipa, Julie Katrinak, Jill Davis, and Lori Jukowski, Center right: Gwen Riley busy typing, Lower left: Leo Wincek, Center: Ramele Campin, Lower right: Melissa Bailey.

## Memory

The sands fall fast through the hourglass  
 I wish we could reach in and stop them  
 To savor a special moment  
 Or to carve a slipping second on our minds  
 But time waits not for us  
 We must hurry to keep pace with it  
 I'm glad we have a special gift, though  
 A gift to let us remember a happy moment  
 Or even recall a fallen tear  
 So we will remember our times this year  
 And Edison, we will remember you
